

Welcome to the Bratwursthäusle!

BRATWURSTHÄUSLE-JOURNAL

Edition 12

Delicious traditional Franconian dishes and our own bratwurst appreciated all over the world.

As soon as you enter the Bratwursthäusle you will find yourself in a place where family, friends, couples, young and old feel at home. The aromatic scent of the Nuremberg grilled sausages is already enticing from afar.

The specialty of the house has been grilled in the shadow of the Sebaldus Church since 1312. The Bratwursthäusle can look back on a long history.

In the 1960s, Werner Behringer leased the restaurant, which became a family and heart project. In 2020 Gerhard Rippel, Axel Müller and Florian Dittmeyer took over the management. Luckily, the well-kept secret of the original recipe for the much-loved bratwurst was not lost!

The Bratwursthäusle has always remained true to its traditions. The beech wood fire still gives the sausages their unique roasted aroma. It is made fresh every day in our own butcher's shop. As was customary in the Middle Ages,

the dishes are served on pewter plates. This combination of traditional recipes, state-of-the-art equipment and craftsmanship offers guests the best possible quality in an authentic ambience.

Of course, other Franconian specialties are also available. A freshly tapped beer always goes well with this.

The location in Nuremberg's old town also contributes to the atmosphere. The two terraces offer a historic view over the historic surroundings, such as the town hall and the market square.

We wish you a pleasant

stay, bon appetit and look forward to welcoming you again soon to welcome.

BEER STORIES

ORIGIN

Nuremberg has always been famous for high quality products and great ideas. Peter Henlein invented here the first pocket watch, Martin Behaim the globe, Albrecht Dürer set new accents in painting. But fine specialties

such as gingerbread, sausages and, last but not least, beer are the reason for Nuremberg's excellent reputation as a home of exceptional craftsmanship.

BREWING CRAFT

Augustiner Bräu München is Munich's oldest brewery in the heart of the city. Since 1328, the aim has been to brew beers of the highest quality. The master brewers work with local farmers to decide on the cultivation of

selected barley varieties, which are dried and malted particularly gently in the brewery's own malthouse.

The high-quality aroma hops from the Hallertau region ensure an unmistakable flavour experience. The proven and traditional brewing process according to the Bavarian Purity Law, combined with a long and gentle

maturing process, give the beers time to develop their unmistakable character. We only brew a few types of beer, which are presented in detail here inside. We attach particular importance to tradition, which is why we have our own brewery pubs and serve beer in wooden barrels at the Munich Oktoberfest.
