Welcome to the Bratwursthäusle!

Bratwursthäusle-Journal

Edition 11

Delicious traditional Franconian dishes and our own bratwurst appreciated all over the world.

As soon as you enter the Bratwursthäusle you will find yourself in a place where family, friends, couples, young and old feel at home. The aromatic scent of the Nuremberg grilled

sausages is already enticing from afar.

The specialty of the house has been grilled in the shadow of the Sebaldus Church since 1312. The Bratwursthäusle can look back on a long history. In the 1960s, Werner Behringer leased the

restaurant, which became a family and heart project. In 2020 Gerhard Rippel, Axel Müller and Florian Dittmayer took over the management. Luckily, the well-kept secret of the original recipe for the much-loved bratwurst was not lost!

The Bratwursthäusle has always remained true to its traditions. The beech wood fire still gives the sausages their unique roasted aroma. It is made fresh every day in our own butcher's shop. As was customary in the Middle Ages,

the dishes are served on pewter plates. This combination of traditional recipes, state-of-the-art equipment and craftsmanship offers guests the best possible quality in an authentic ambience.

Of course, other Franconian specialties are also available. A freshly tapped Tucher beer

always goes well with this.

The location in Nuremberg's old town also contributes to the atmosphere. The two terraces offer a historic view over the historic surroundings, such as the town hall and the market square

the market square.
We wish you a pleasant stay, bon appetit and look forward to welcoming you again soon to welcome.

BEER STORIES

ORIGIN

Nuremberg has always been famous for high quality products and great ideas. Peter Henlein invented here the first pocket watch, Martin Behaim the globe, Albrecht Dürer set new accents in painting. But fine specialties

has ensured that only what should be in the beer actually goes into it. So it is only logical that Nuremberg is the origin of bottom-fermented beer in Germany!

Like no other brewery in the region, embodied Tucher

been the home of the traditional brand since 2008.

DIVERSE RANGE

With the traditional beers – such as the Tucher Urbräu Hell, the Tucher Urfränkisch Dunkel or the Tucher Kellerbier naturally cloudy – Tucher brews typical regional beers, just as people used to like to drink them and they still like to drink them in Franconia today.

The Tucher wheat beers are brewed in the tradition of the former royal Bavarian wheat brewery, which goes back to the municipal wheat brewery in Nuremberg from 1672. The in-house yeast ensures a unique aromatic wheat treat.

The Original Nürnberger Rotbier beer specialty reflects the origins of the Nuremberg brewing trade and is brewed according to a traditional recipe. The refinement with beer from traditional oak barrel aging gives it a unique, harmonious and well-rounded character

such as gingerbread, sausages and, last but not least, beer are the reason for Nuremberg's excellent reputation as a home of exceptional craftsmanship.

NUREMBERG BREWING CRAFT

Tucher stands for more than 165 years of Nuremberg brewing. Since 1303, the "Nuremberg Barley Law" takes the centuries-old brewing tradition and combines it with the most modern brewing technology. The "Altes Sudhaus" in Nuremberg's northern part is the parent company and the only remaining historic brewery in Nuremberg. While the two-city brewhouse on the city border between Nuremberg and Fürth has
